Dear Parent/Carer,

Remote Learning – Friday, 24 January 2025

As you will be aware, Perth and Kinross Council have taken the decision to close all schools tomorrow, Friday, 24 January 2025, due to weather warnings issued by the Met Office. We understand the impact this will have on parents and carers, and we therefore want to offer help and support as we are able. I am therefore writing to confirm arrangements for remote learning during this unplanned period of school closure.

Nursery

Learning resources will be shared with parents/carers using [Learning Journals](#).

Primary

Teachers will use [Learning Journals](#) as the main tool to share learning tasks with children. Some classes use [Microsoft Teams](#) on a regular basis, and they will continue to do so. Should this be the case, each class teacher will confirm this using Learning Journals.

If you do not yet have access to [Learning Journals](#), please log into ParentsPortal and complete the appropriate consent form. We will seek to set up new accounts as quickly as we are able tomorrow morning in order that families can access shared resources.

Please [click here](#) for information about [ParentsPortal](#).

Secondary

Teachers will post appropriate tasks for all learners on [Microsoft Teams](#).

Live Interactions

As this is an unplanned, short term, school closure there will be no live interactions.

As always, we understand that families will find themselves in a range of circumstances tomorrow. Please therefore be reassured that we also understand that children and young people may not be able to complete all tasks set by their teachers. Parents/carers will be in

the best position to decide what the most appropriate approach to remote learning is for their child(ren), and we will support whatever decisions you make for your family. Please be reassured that no new learning will be taken forward during this time.

Should you require to contact your child's teacher or require support to access learning resources please contact us by email at **TCSOAContact@pkc.gov.uk**.

As the school will be closed, we will not be able to receive any phone calls.

Please take care, and I hope you and your family remain safe and well during this period of inclement weather.

Yours sincerely,

David Lambert
Head Teacher
