Dear Parent/Carer,

Important Dates Session 2024/25

Please find attached an overview of important diary dates throughout this current school session. Much of this information has already been shared via our school newsletter, however I am sure that this format will be much more convenient and easier for families to keep to hand. Should you wish to contact any member of our team, please feel free to contact us by emailing us at TCSOAContact@pkc.gov.uk.

Yours sincerely,

Learning Assemblies

Parents/carers are invited to attend a Learning Assembly which will be led once each session by each of our classes. These assemblies will be a chance for all children in the class to take a part in sharing their learning with those parents who are able to attend. In addition, following the assembly, there will be a display of learning materials from the class available to view and the opportunity to engage in dialogue with your child's teacher and a member of the senior leadership team. We received positive feedback on this approach during Session 2023/24 and we have therefore chosen to continue with this approach this session.
