

A&A Connected May Update

Current Priorities

Cosy Spaces

We would like to acknowledge and celebrate the amazing groups who have supported the Cosy Spaces/Warm Spaces initiative over the winter months. Thanks to their time and energy they have helped to provide a warm welcome and safe space for our community during the coldest and darkest months of the year. **Read a little more about it and the groups involved on our blog.**

Library

Our library opened its doors for a 'love' your library day on Saturday the 25th of April. Library staff and Friends of Auchterarder Library were on hand to talk about their work to retain our lovely library space. Including Cafe books, on the first Tuesday of every month from 5.30pm to 6.30pm. Their sensory corner to make the library more accessible and the fabulous chat corner for anyone to drop into from 11am to 12 every Friday.

Pedal, Play and Picnic in the Park, Saturday 20th June from 1pm to 5pm – Auchterarder Public Park.

Housing and Services

Muir Homes held a drop in event on Thursday 23rd April relating to the development of sport and recreation facilities near to TCSOA as part of the obligations the developers have relating to recent housebuilding in the town. They are holding another event on **Tuesday 26th May at Aberuthven Village Hall** about the ongoing and future proposals for the Shinafoot Junction works.

Pee in the Park

Thanks to the vision of the volunteers from our Auchterarder Green Spaces Working Group and with funding from Perth and Kinross Council we have a fabulous waterless toilet in our park which is now open.

Special Community Council Meeting - 16th June, Aytoun Hall

Our community council is hosting the team from Friends of Kincardine Fields for a special public meeting at the Aytoun Hall at 7pm.

HELP TO CELEBRATE OUR COMMUNITY

There's always a wealth of activities happening in the community and we do our best to try to share these in our 'What's on' updates on our Facebook page, Website events page and electronic noticeboards. Please continue to share news of any events with us so we can include you too. **Simply email aanda.cap@gmail.com or message us through our Facebook page at Auchterarder and Aberuthven Community Action Plan.**

Keep in the loop

At a very well attended Community council meeting on the 30th April there was a point on the agenda regarding LDP3. We thought it might be helpful to point you in the direction of where you can find background information on this on the [Perth and Kinross Council](#) website and you can email the team at DevelopmentPlan@pkc.gov.uk if you would like to find out more or be kept updated about the next steps of the Local Development Plan. <https://www.pkc.gov.uk/ldpreview>

In the spotlight

Do you have a great story to tell about your local business, charity or organisation. How did it start, what does it do, why is it important to our community? Does it enhance health and wellbeing, does it have sustainability at its heart, does it promote our heritage and culture or is it important for our town centre and local economy. Let us know and we will share.
